

# Astro-Physics Rings Hole Pattern\*

\*Earlier Production Runs May Vary

## Bottom Hole Pattern (All Rings)

---

**Note:** Astro-Physics uses 2.362" (60 mm) hole spacing for dovetail plates and 3.20" for Flat and Ribbed Plates. The 10-32 tapped holes are for use with the Riser Blocks. The 1.457" is a Parallax spacing.
